

Moses/Joshua, Elijah, Jonah, and Revelation

Post-bundle research record 09

Textual correction and surviving structural claim

Revelation does not literally say 'spirit of Elijah' or 'sign of Jonah.' Revelation 11 does, however, combine Moses-like plague/water imagery with Elijah-like drought/fire imagery. The explicit New Testament phrases occur elsewhere: Jesus' 'sign of Jonah' language in Matthew/Luke and Luke's 'spirit and power of Elijah.'

Three canonical signatures

Signature	Canonical function	Research shorthand
Moses -> Joshua	Commissioned successor carries inherited instruction across a threshold	LISTEN / OBEY / ACT / PROSPER
Elijah -> Carmel	Confront divided allegiance; drought/withholding precedes public decision	WITHHOLD / CONFRONT / TURN
Jonah -> Nineveh	Warning produces a choice; repentance changes the announced outcome	CHOOSE / TURN / MERCY

Revelation 11 and Jonah as structural analogue

Moses and Elijah are strong literary profiles in Revelation 11. Jonah is weaker and should be labeled a proposed structural analogue: testimony/rejection/death/measured interval/restoration resembles the death-restoration dimension of the Sign of Jonah, but Revelation never names Jonah.

Unified conditional reading

Remember/listen -> choose -> turn -> act -> outcome changes. This is an interpretive synthesis, not an independently proven encoded message.

Sources and audit notes

Web addresses are printed for reproducibility. Eclipse durations vary slightly by coordinate, Delta-T convention, and rounding; the report preserves source-specific values rather than silently harmonizing them.
